NATIONAL NIGHT OUT AGAINST CRIME

Join us for this year's National Night Out (NNO) Against Crime on Tuesday, August 6. This family-friendly event is dedicated to building stronger, safer communities through partnerships with you, the people we serve.

POLICE - COMMUNITY PARTNERSHIPS

- Get to know the dedicated deputies who patrol your neighborhood.
- Explore vehicle displays.
- Learn about a variety of crime prevention programs designed to help protect your home and your loved ones.
- Free food, drinks, games and giveaways vary by location, but these block parties have plenty of fun activities to keep your family entertained.

JOINSDSHERIFF SPOTLIGHT

It has been an exciting time for the Sheriff's Recruiting Unit. Recently, deputies hosted three big events designed to showcase the best the Sheriff's Office has to offer.

On May 11, the first-ever Student Athlete Expo took over the County Operations Center campus in Kearny Mesa. High school and college athletes got a chance to personally hear from deputies who excelled in collegiate and professional sports about making the successful transition to a law enforcement career.

Sheriff's Recruiters also hosted a Women's Career Expo at the same venue on May 18. Sheriff Kelly Martinez was joined by some of the office's brightest stars to share their stories about the important role women play in law enforcement. Guests were able to work out with deputies, check out demonstrations from Sheriff's Specialized Units and apply for jobs on the spot.

From June 12 through 14, dozens of teenagers from across San Diego County got to learn first-hand what it takes to become a deputy at the Junior Women's Academy. The inaugural event was held at Palomar College in San Marcos. The young girls took part in several activities and presentations from deputies. "If I can see her, I can be her" was the inspirational motto of this unforgettable academy.

DRIVE SOBER OR GET PULLED OVER - 4TH OF JULY

The San Diego County Sheriff's Office wants you to celebrate responsibly this Independence Day by not driving under the influence of alcohol or drugs. Deputies will conduct increased DUI patrols on Thursday, July 4. An impaired driving arrest and conviction can cost more than \$15,000. Remember: Drive Sober or Get Pulled Over. This Fourth of July, leave the fireworks to the professionals. It is illegal to possess or use fireworks in San Diego County with fines of up to \$50,000 and possible jail time. Do not risk serious injury or death by playing with fireworks.

RECIPE FOR A FRESH START

July is Culinary Arts Month. Our Culinary Arts Program at East Mesa Reentry and Las Colinas Detention and Reentry Facilities is whipping up change and plating possibilities. The program started in August 2014 in collaboration with Grossmont Adult School.

For six months, participants work a shift at the café and coffee house inside the jails. They learn about menu planning, purchasing, food preparation, sanitation, cooking, presentation, teamwork, customer service and working as a barista. Culinary Arts also incorporate a Farm to Table gardening program harvesting fresh vegetables and herbs for the kitchen.

Participants graduate with a Manage First Restaurant Management Certificate from the National Restaurant Association. The restaurant, food, tourism and hospitality industries employ people with this certificate because they are ready to work from day one. Employment provides justice impacted individuals a fresh start for successful reentry.

Our Reentry Services Division offers more than three dozen programs in our jails to prepare people in our custody for their return into our communities.

NACo AWARDS

The San Diego County Sheriff's Office received the 2024 NACo Achievement Award for three programs: the Sheriff's Wellness Unit, the Harm Reduction Kits Program, and the Detentions Wellness Checks. The Wellness Unit, started in May 2023, supports staff through wellness initiatives. The Harm Reduction Kits Program, launched in January 2023, provides Naloxone kits and community training to prevent opioid overdoses. The Detentions Wellness Checks, begun in June 2022, use multidisciplinary teams to address mental health, substance use, and medical issues, reducing in-custody deaths. These programs highlight innovative public service.
