SYNOPSIS:

On 06/02/2020, at approximately 1900 hours, approximately 200 protesters were at the intersection of Mission Gorge Road and Cuyamaca Street. With the assistance of a Sheriff's helicopter (ASTREA) several announcements were made to the protesters the City of Santee would be enforcing the curfew order at 7:00 p.m. and directed to leave the area. Some of the protesters left on their own accord, however a vast majority of them refused to leave the area. San Diego Sheriff Mobile Field Force units responded to the intersection to disperse the remaining protesters. As a result, multiple arrests related to curfew violations were made. The remaining protesters dispersed.
