SYNOPSIS:

On June 10, 2020, at about 2:44 pm, deputies from the Lakeside Substation responded to the 1600 block of Via Elisa Drive for a structure fire. Upon their arrival, deputies determined adjacent structures were threatened because of the strong winds and they began making evacuation notifications at these residences.

Based on their preliminary investigation, deputies contacted Sheriff's Bomb/Arson detectives who responded to the scene to determine the origin and cause of the fire. The investigation is ongoing.
