On July 17, 2020, at about midnight, Luis Donate, 38 of Vista, was walking in the 1100 block of N. Santa Fe Avenue and looked down to retrieve an item from a bag. As he looked down, he heard a loud bang. Donate fell to the ground with a gunshot wound to his left knee. A witness in the area heard the gunshot and observed a white Nissan Sentra driven by a female with a male passenger, leaving the area on North Santa Fe Avenue. Donate was transported to Palomar Medical Center for treatment of non-life-threatening gunshot wounds.

Deputies were only able to obtain limited suspect and vehicle information from the witness. No surveillance video was available at the time of the investigation. Detectives from the Vista Station are conducting further investigation to determine the identity of the suspects.
