## Making Our Communities Safer

Join the San Diego County Sheriff's Department on **Tuesday, October 6<sup>th</sup>** for *National Night Out Against Crime*. It's a chance for us to continue building positive relationships with the communities we serve and protect.

Due to the COVID-19 Pandemic, traditional *National Night Out* events won't be taking place. However, we won't let that stop us from celebrating in a different way. We will be hosting eight "drive-thru" events across San Diego County. Meet our deputies from the comfort of your car. Get a free Sheriff's goodie bag. Some locations will have special giveaways and raffles.
