## Vehicle Pursuit - Campo

A man is in custody after leading deputies on a pursuit in East County.

It happened on Saturday, October 31st just before 8:00 p.m. when a deputy tried to pull over a driver for a traffic violation along State Route 94 in Campo. Initially, the driver exited the highway and pulled into a gas station, but he took off heading east on SR-94. The driver was going almost 90 miles per hour on a 55-mile per hour zone and kept driving on the wrong side of the road.

The driver kept going even after hitting a spike strip at La Posta Road and Highway 94. The tires came off the car and it eventually rolled into a stop. A man ran out of the car into a field. Sheriff's ASTREA (helicopter) was flying overhead and found the suspect hiding in a tree. He was arrested without incident.

A reconfigured AR-15 with no serial number (seen in above photo) was found in the car, along with a high capacity magazine.

Charles Largo (DOB 2/7/1978) was booked into Central Jail on charges of felony evading, a felon in possession of a firearm and committing a felony while on bail.
