\*\*In March 2021, an additional 9 arrests involving use of force occurred in non-Sheriff areas.

\*\*\*Please note that pursuant penal code 849.5, detentions are no longer included in the arrest report total. Therefore, arrest reports appear to be lower than in previous years. In March 2021, an additional 447 individuals were detained. Of those, force was used in 25 cases.

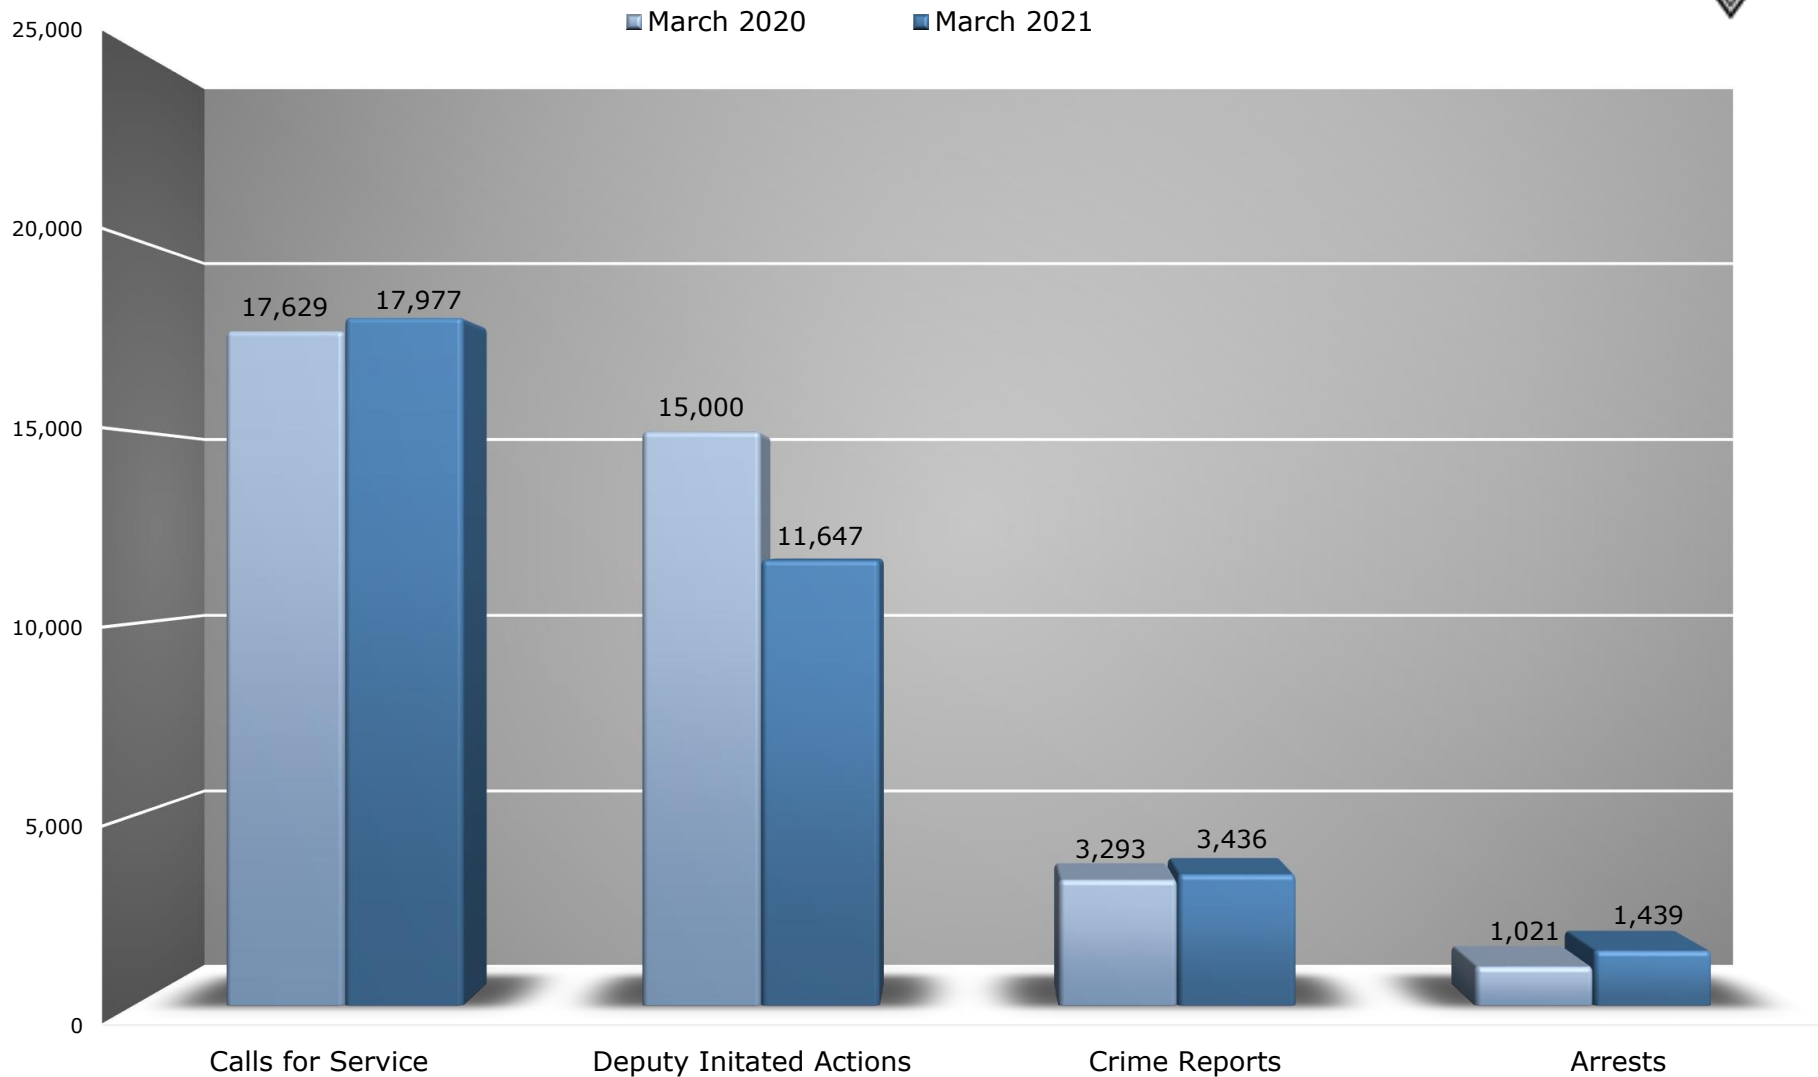

Call for Service (CFS) is a request from a member of the public or another agency for public safety services. Please keep in mind that calls for service do not always equate to a criminal incident resulting in a report or arrest.

Deputy Initiated Action (DIA) results from a deputy's own initiative or observation and does not require a request from the public or another agency. Examples include: traffic stops, field interviews, transports, or other situations observed by the deputy. DIA's do not always equate to a criminal incident resulting in a report or arrest.

Enforcement of the law and the performance of law enforcement duties may require the use of physical force and/or physical restraint. Click [HERE](#) for a list of definitions of force options.

Some reports are still under review; Therefore, not reflected in the totals.
