### SYNOPSIS:

Alpine Detectives and Crime Suppression Team deputies, as part of an ongoing investigation related to a County Wide Series of over (30) Commercial Burglaries, responded to a commercial burglary that occurred in the Rancho San Diego Command area. The losses by local businesses during this Burglary Series have totaled over \$130,000.

Detectives were able to identify and locate the suspects at two separate locations.

Assisted by Detectives and Crime Suppression Team deputies from the Rancho San Diego, Santee and Lakeside Patrol Stations, (2) two Search Warrants were served at a location in Unincorporated Spring Valley and Unincorporated Lakeside. As a result, evidence from the Commercial Burglary that had taken place earlier in the shift was recovered. Also found at these two locations was a Clandestine Marijuana Growing Operation and a Butane Honey Oil Extraction laboratory.

Detectives from the San Diego Regional Narcotics Taskforce responded, along with personnel from HAZMAT and CPS/DEC.

Andrew Myers, 34 and Adam Nuno, 34 were arrested during this investigation and booked into the San Diego Central Jail for violations of Commercial Burglary, Manufacturing of Controlled substance and Possession for Sales of Marijuana.

The investigation into this illegal narcotics operation will be continuing, as will the investigation into the Commercial Burglary series.
