The following information is fragmentary and has not been completely verified. It is based, in part, on hearsay and is intended for early information use rather than being a formal investigative report.

This morning at about 8:17 a.m., deputies at the San Diego Central Jail were notified by an inmate that an inmate had collapsed inside his housing cell. Deputies responded to the cell and saw an inmate in apparent medical distress. The man did not appear injured, but soon after the deputies entered the cell to help the 32-year-old man, they noticed he was unresponsive. CPR was initiated and the man was transported to a local hospital where he was pronounced deceased at about 9:28 a.m. The man was in custody for an assault with force likely to cause great bodily injury. The Sheriff's Homicide Unit responded to investigate the death.

The San Diego County Medical Examiner's Office will conduct an autopsy to determine the cause and manner of death and notify the victim's family. The Sheriff's Homicide Unit responds to investigate all in-custody deaths. Our response is not an indication of foul play or suspicious circumstances. The investigation is ongoing.
