The following information is fragmentary and has not been completely verified. It is based, in part, on hearsay and is intended for early information use rather than being a formal investigative report.

At about 11:06 a.m., deputies were dispatched to a call to assist the Fire Department with a person lying on the floor of their residence. A neighbor had gone to the residence because they had not seen the occupant in several days. When the neighbor looked through the window, they noticed the occupant lying on the floor and immediately called 911. Deputies responded to the residence and entered with Fire Department personnel. They located a male adult, who appeared to be in his 40's, lying on the floor of the residence. The male was deceased and had signs of trauma to his body.

The Sheriff's Homicide Unit responded and has assumed responsibility for the investigation.

The San Diego County Medical Examiner's Office will notify the next of kin and perform an autopsy to determine the man's cause and manner of death.
