New Community Relations Director

Community outreach is a priority for the San Diego County Sheriff's Department. We do this in the jails, the courts, in patrol and in any interaction we have with members of the community.

We welcome our new Community Relations Director Nadia Moshirian Binderup. Nadia will be a conduit and liaison for community members and leadership with a focused approach to strengthening community relationships and building partnerships with the communities we serve.

Nadia started working for the County of San Diego in 2010. She most recently served as Staff Officer for the County's Deputy Chief Administrative Officer in the Community Services Group Executive Office. She also worked as a group co-lead for the County's Customer Experience Initiative. In this position, Nadia provided training, resources and support to customer service experience ambassadors. Nadia graduated from San Diego State University with her Bachelor's and Master's Degrees in Public Administration.

This Director will report to the Assistant Sheriff of Law Enforcement Services and can be contacted via email nadia.binderup@sdsheriff.org or through the Sheriff's Law Enforcement Services Bureau at (858) 974-2295.
