### SYNOPSIS:

The Sheriff's Department would like to assure our communities that there are no known threats to religious gatherings. We encourage our communities to continue with scheduled events and other activities as normal. The suspect in the Poway incident today has been captured and we believe he acted alone. Of course, if you have information about any potential threats, we want to hear from you. We have assigned deputies to religious centers throughout the weekend and will continue in our patrols and outreach moving forward.
