Provider of Information (if different):

### SYNOPSIS:

On May 18, 2019, the San Diego Sheriff's Department's Court Services Bureau-Field Division conducted a warrant sweep primarily targeting the City of San Diego area. The focus of the operation was the apprehension of subjects with outstanding warrants regardless of the charge or bail amount.

A total of 36 adults were arrested today clearing 40 misdemeanor warrants, three felony warrants, and one infraction warrant. Also one subject was cited and released and another was arrested for a probation violation. Twenty-five year old, Timothy Sinclair, from San Diego was contacted for an outstanding misdemeanor warrant when he ran from deputies. He was apprehended a short time later. Sinclair was booked into San Diego Central Jail on the new charges of 148 PC Resisting Arrest, and 273.6 PC Violation of Restraining Order. This warrant sweep was funded by the Sheriff's Warrant System Automation Trust Fund. The trust fund is made up of assessment fees collected from people who have violated a written promise to appear in court or otherwise fail to comply with a court order.

The San Diego Sheriff's Department will continue its efforts in the apprehension of wanted subjects. Persons who have outstanding warrants are encouraged to turn themselves in Monday – Friday between 8:00 am and 5:00 pm at any one of the Sheriff's Court Facilities.
