### SYNOPSIS:

Just before 6:00 A.M. this morning, deputies from the Valley Center Substation responded to a water main break at the intersection of Paradise Mountain Road and Latigo Road in Valley Center. The break created a hole about 20 feet in diameter on the right shoulder of the eastbound lanes of Paradise Mountain Road. Valley Center Fire, County Roads, and the Valley Center Municipal Water District responded.

Just after 7:00 A.M., the water was shut off and repairs began. Valley Center Municipal Water utilized "Call-Em-All" a reverse 9-1-1 type system to notify affected customers. At this time they estimate 400 residents are affected and will be without water until about 7:00 P.M. today. Any future media inquiries or customer concerns should be direct to the Valley Center Water District at the telephone number provided above.

Call Crime Stoppers at (888) 580-8477 with information and you will remain anonymous. You can also download the P3 anonymous tip app. You may be eligible for up to a \$1,000 reward for information that leads to an arrest.
