Time of Release: 1045 A.M.
Media Contact: Sgt. Vega
Email Address of Contact:
Telephone Number of Contact: (858) 565-5200
Provider of Information (if different): Sgt. Vega

SYNOPSIS:

On Sunday August 4, 2019, at about 0721 hours, deputies from the Imperial Beach Sheriff's Station responded to a report of an unresponsive male found by morning joggers in the water near the Imperial Beach Pier. Deputies, paramedics, and fire personnel located an unresponsive male in his late 20's on the beach, still partially in the water, at about the 700 block of Seacoast Drive.

Paramedics provided medical aid and determined the male had no vital signs. The male was pronounced dead at the scene. The victim's female companion was located and interviewed. Alcohol and controlled substances are suspected as contributing factors in this incident.

The County of San Diego Medical Examiner's Office will be conducting a further investigation to confirm the victim's identity, notify the man's family, and determine the cause of death.
