SYNOPSIS:

On Wednesday 10/09/19, at 2:00 pm, deputies and the Monte Vista High School (MVHS) Resource Officer responded to an industrial accident at the construction site on the MVHS campus located at 3230 Sweetwater Springs Blvd in Spring Valley. Upon arrival, deputies discovered a 30-year-old male construction worker had fallen from a beam attached to a 30 foot platform. Deputies and Fire Department personnel attempted first aid/CPR before transporting the victim to Grossmont Hospital where he was declared deceased upon arrival. CA-OSHA was notified, responded to the scene and is conducting a follow-up investigation. Because the industrial accident was potentially witnessed by other construction workers, high school students and high school staff, crisis counselors will be available on the MVHS campus on 10/10/19.
