### SYNOPSIS:

School administrators received similar e-mails indicating explosive devices had been placed around Bonsall and Fallbrook High Schools. A known student's name was on the e-mail address. Deputies responded to Bonsall High School and confirmed there were no explosive devices. Additional deputies conducted an investigation at the student's family residence. It was determined the student was not involved and was possibly the victim of swatting. Deputies also cleared the Fallbrook High School campus and found no explosive devices. Detectives are handling the follow-up investigation.

Call Crime Stoppers at (888) 580-8477 with information and you will remain anonymous. You may be eligible for up to a \$1,000 reward for information leading to a felony arrest.
