On March 30, 2018, at about 9:42 p.m., a 70-year old male pedestrian attempted to walk across Civic Center Drive, outside of the crosswalk near the intersection with Eucalyptus Avenue in the City of Vista, when he was struck by a Honda Civic travelling southbound. The pedestrian sustained serious injuries and was transported by ambulance to Palomar Medical Center in Escondido. The pedestrian had numerous fractured bones; however, none of the injuries were believed to be life threatening. The 47-year old female driver of the Honda was not injured in the collision.
