### **SYNOPSIS:**

Deputies from the North Coastal Sheriff's Station will conduct a Driving Under the Influence/Driver's License Checkpoint in Encinitas, on Friday, April 20, 2018, from 6:00 p.m. until 2:00 a.m. The purpose of the checkpoint is to reduce the number of collisions involving alcohol, to educate the public on the dangers of impaired driving, and to ensure drivers have a valid driver's license. By publicizing this enforcement effort, the San Diego County Sheriff's Department hopes to deter motorists from drinking and driving.

A grant from the Office of Traffic Safety, through the National Highway Traffic Safety Administration, will be used to fund this checkpoint.
