On April 28, 2018, the San Diego Sheriff's Department's Court Services Bureau-Field Division conducted a warrant sweep in the East County region. The areas affected by the sweep included the City of El Cajon, Santee, Lakeside, Alpine, Pine Valley and the unincorporated area of El Cajon. The focus of the operation was on the apprehension of subjects with outstanding warrants regardless of charge or bail amount.

A total of 13 adults were arrested on misdemeanor and felony warrants. A total of 34 misdemeanor and 2 felony warrants were cleared. This warrant sweep was funded by the Sheriff's Warrant System Automation Trust Fund. The trust fund is made up of assessment fees collected from people who have violated a written promise to appear in court or otherwise fail to comply with a court order.

The San Diego Sheriff's Department will continue its efforts in the apprehension of wanted subjects. Persons who have outstanding warrants are encouraged to turn themselves in Monday - Friday between 8:00 am and 5:00 pm at any one of the Sheriff's Court Facilities.
