### SYNOPSIS:

On November 11, 2018, the Sheriff's Department became aware of a subject who was making criminal threats on social media toward El Capitan High School. The Sheriff's Department immediately began an investigation. Deputies identified a 14 year old El Capitan high school student as a potential suspect and contacted him at his residence. He was arrested and booked into Juvenile Hall for making the threats. At this time the Sheriff's Department has no information of additional threats toward El Capitan High School or any other school in the area. However, out of an abundance of caution, we will have increased patrols in the area of the school tomorrow.
