Dear Director Harmon,

Congratulations, ANAB has approved the continuation of your organization's accreditation based upon the results of your recent Surveillance Document Review. Continuation of accreditation is a formal acknowledgement that your organization continues to operate in conformance with accreditation requirements. The report is included with this letter.

The provided ANAB accreditation symbols may be used to convey your accredited status. An accreditation symbol must not be used in any way which implies accreditation in any area outside of the scope of accreditation. If appropriate, the accreditation symbol may be used on your organization's website, reports, letterhead, business cards, and other official documents. Please refer to [PR 1018 Policy on Use of ANAB Accreditation Symbols and Claims of Accreditation Status](#) for all required information. This policy also provides information on your ability to use a combined mark that contains the ANAB accreditation symbol and the International Laboratory Accreditation Cooperation (ILAC) mark.

The next assessment activity will be a Surveillance Assessment in November 2020.

Thank you for your ongoing commitment to quality and the accreditation process.

Sincerely,

A handwritten signature in grey ink, appearing to read 'Nita Bolz', is positioned above the printed name.
