RE: Annual Accreditation Audit Report
ASCLD/LAB Certificate # 285

Director Thompson:

ASCLD/LAB has completed a review of the Annual Accreditation Audit Report for the San Diego County Sheriff's Department - Regional Crime Laboratory received on February 8, 2008 (covering December 18, 2006 to the laboratory's anniversary date December 18, 2007). At this time, we have determined no need for any follow-up communications regarding your laboratory's continuing compliance with accreditation standards.

The Annual Accreditation Audit Report is one form utilized by ASCLD/LAB for the purpose of on-going compliance monitoring. We appreciate the timely submission of the required report and look forward to working with you in the future on any matters related to the accredited status of the San Diego County Sheriff's Department - Regional Crime Laboratory.

Sincerely,

Michael L. Creasy
ASCLD/LAB Quality Manager
