**RE: Annual Accreditation Audit Report – Received: December 18, 2012
ASCLD/LAB Certificate # 285**

Dear Director Grubb:

I sincerely apologize for the delay of response to your laboratory correspondence.

A review has been completed of the laboratory's Annual Accreditation Audit Report for the San Diego County Sheriff's Regional Crime Laboratory that covers the dates of December 2011 to December 2012. I appreciate the quick response from the Quality Manager in regards to clarification of non-conforming work occurrences. No further actions are needed. Thank you for your timely submission of the required documentation.

Please remember that one of the obligations of laboratories accredited by ASCLD/LAB is to provide information, documents, and records as necessary for the maintenance of accreditation. Requests for additional information, on matters such as proficiency tests and non-conforming work occurrences may be received independent of this review.

We look forward to our continued partnership in accreditation.

Sincerely,

Joelyn M. Cornwell
Quality Manager
ASCLD/LAB
