Dear Director Grubb:

ASCLD/LAB Executive Director Pamela Bordner has approved the continuation of accreditation of the San Diego County Sheriff's Department - Regional Crime Laboratory, based upon the results of the surveillance visit, conducted by ASCLD/LAB Lead Assessor Patti Williams on November 16, 2015.

Enclosed with this correspondence you will find a final copy of the Surveillance Visit Report. Continuation of accreditation does not change the expiration date of accreditation. Rather, this action is an annual, formal acknowledgement that a laboratory continues to operate in satisfactory conformance with accreditation requirements.

Congratulations for maintaining an on-going, acceptable level of conformance with the ASCLD/LAB-*International* accreditation requirements.

Best Regards,

Laurel J. Farrell
