CCW Curriculum Outline

The San Diego County Sheriff's Office requires that all CCW Vendors submit their own 8- and 16- hour curriculums, and exams for each course. Outlines must be thorough and contain hourly breakdowns of instruction. Below is a brief example of topics that should be considered.

- Firearms safety
- Firearm handling
- Shooting techniques
- Safe storage/laws related to including related to child access
- Securing firearms in vehicle
- Legal methods to transport firearms
- Laws governing where permitholders may carry firearms
- Laws regarding permissible use of a firearm
- Laws regarding the permissible use of a firearm in self defense
- Mental health and mental health resources (REQUIRED- must be 1 hour)

Written test demonstrating knowledge of topics covered

Range: 100 rounds for initial training

Range: 50 rounds for renewal

Live fire qualification shoot score: 13 of 15
