OFF AGENDA:

Jerica Freitas: The East Mesa library furniture is set to arrive late June early July. For the coffee cart canopies Scott Bennet has been in contact with several companies since most charge installation fees and that will put us over budget. I will have more updates later today or tomorrow.

Lt. Darnell: Thank you Jesse for providing your furniture from admin SDCJ to East Mesa. I also like to propose a coffee cart challenge between East Mesa and LCDRF, to vote who has the best coffee. I will come up with the logistics of this competition and have more details available.

A/S Lopez: Thank you Reentry you all do such an amazing job, it is well managed and put together. Thank you to everyone.
